Vanpool Test Ride for a Day:

CommuteInfo is now offering a vanpool test ride for groups of 7 or more. The goal is to provide potential vanpool groups with a one day round trip experience. If you know of any groups interested in scheduling a test ride, or would like to help get the word out about this offer, contact Bob Villella at 412-391-5590 x372 or email bvillella@spreregion.org

The CommuteInfo program is designed to increase the number of people who travel to work or school by riding transit, vanpooling, carpooling, bikepooling, and walking.
