

CommuteInfo *Connections* - June 2012

Summer Commuting Safety

Street Smarts is an education campaign to provide safety information to commuters. As part of the campaign, CommuteInfo helps produce and distribute informational cards promoting safe commuting by bike, car and walking. Additional cards promote safety in construction zones and respecting other travelers.

There are five informational cards in all. Requests for printed copies can be emailed to bvillella@spcregion.org

You can access PDF copies of all Street Smarts materials here:

Street Smarts is sponsored by:

Airport Corridor Transportation Association
BikePGH
City of Pittsburgh
Oakland Transportation Association
Pennsylvania Department of Transportation Engineering District 11-0
Pittsburgh Downtown Partnership
Southwestern Pennsylvania Commission
