

## ***CommuteInfo Connections - October 2013***

---

### **Carpool Registration Now Online**

CommuteInfo is happy to announce that commuters can now register their carpools online! The new, simple form allows existing carpools groups to register by just listing the names and email addresses of the commuters in their carpool. And CommuteInfo staff will take care of the rest.

The CommuteInfo carpool page can be accessed at [carpool.commuteinfo.org](http://carpool.commuteinfo.org)

The benefits of carpool registration with CommuteInfo includes:

- Coverage for each carpool member under the CommuteInfo Emergency Ride Home Service
- Help recruiting new riders
- A complimentary roadside safety kit
- A \$5 GetGo car wash gift card

Make sure to pass along the benefits of registering a carpool with CommuteInfo to everyone you know!

### **Upcoming Events**

- **October 8:** Where to Turn Event at the Convention Center in downtown Pittsburgh

If you have upcoming events you would like CommuteInfo to be a part of, please email Bob Vilella at [bvillella@spcregion.org](mailto:bvillella@spcregion.org)

The CommuteInfo program is designed to increase the number of people who travel to work or school by riding transit, vanpooling, carpooling, or bikepooling.
