CommuteInfo Connections - June 2013

You're Invited to our "Go Green Get Noticed" Breakfast with Sustainable Pittsburgh!

The CommuteInfo Program invites you to a free breakfast on July 10th where you will learn how organizations throughout Southwestern Pennsylvania are taking advantage of the Sustainable Pittsburgh Green Workplace Challenge to gain recognition for green initiatives.

Updates will also be given from the Penn State Extension/Smart Growth Partnership on the Route 30 Master Plan and Westmoreland Transit. The session is being held in conjunction with our partners along the Route 30 Corridor in Westmoreland County.

CommuteInfo Month - Follow-Up and Results

Thanks to everyone who helped make CommuteInfo Commute Options Awareness Month 2013 a success! Some of the month's highlights include:

- Two new vanpool groups starting May, increasing the total number of vanpool groups in the region to 59 and the number of participants to 742. CommuteInfo staff provided continuing assistance as they got started. The first group will travel from Monroeville to Cranberry and the other from Butler to Oakland.
- One new carpool group starting in May, increasing the total number of carpool participants to 495 (229 carpool groups).
- 138 of the CommuteInfo volunteer vanpool drivers completing the safety training modules (45% of all volunteer vanpool drivers) during May.
- Commuters registering with CommuteInfo and for those who also started sharing their ride during the month, receiving a \$25 GetGo gift card as a special thank you.

The CommuteInfo program is designed to increase the number of people who travel to work or school by riding transit, vanpooling, carpooling, or bikepooling.
