CommuteInfo Connections

February 2018

The graphic features a pink background with a pattern of white hearts of various sizes. At the top center, a large red heart contains the text "Find Your Rideshare Match TODAY!". Below this, a white ribbon banner reads "Save Money on Your Commute.". In the center, five icons represent different commute options: Public Transit (blue bus icon), Vanpools (green van icon), Carpools (red car icon), Biking (brown bicycle icon), and Walking (brown person walking icon). Each icon is labeled with its respective mode of transport. At the bottom left, there is a cartoon illustration of Cupid with a bow and arrow. At the bottom right, there is a target icon with a green arrow hitting the bullseye. The text "Happy Valentine's Day" is written in a red, cursive font across the bottom.

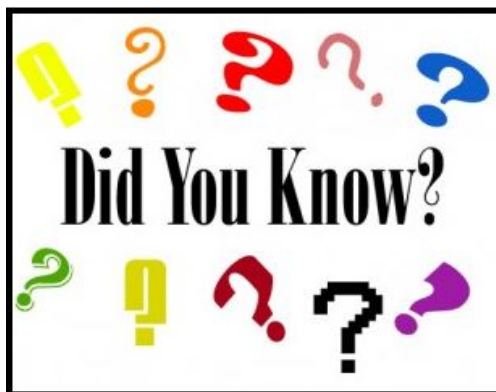

Staffing Update

Lisa Kay Schweyer, the program manager for the CommuteInfo Program has announced that she will be leaving her position later this month for another opportunity.

Under Lisa Kay's leadership for the past 14+ years the program has assisted thousands of commuters, added a reimbursement based Emergency Ride Home service, expanded the Transportation 101 sessions, and begun marketing/advertising to reach even more commuters/employers.

She said she has enjoyed working with the regional commuters, employers, and all the supporting organizations who help people try transit, vanpooling, carpooling, biking and walking as their way to work or school. She also wanted to: "Thank everyone for all the help over the years. I can't wait to see how the program continues to grow and helps even more regional commuters and employers."

Lisa Kay's last day at CommuteInfo will be February 16. We thank her for her service and wish her the best in her new endeavors.
