

## Sample Emails

These sample emails are resources for you to use to spread the word to your employees about commuting options and the services of CommuteInfo. Please add your specific company information and feel free to use. If you want to edit information about CommuteInfo's services, we just ask that you let us help review before it is shared. We would be happy to assist you with this process, just let us know.

### SAMPLE ONE – Introducing CommuteInfo

Dear Employees:

We know that your commute can be a stressful part of your day, and we would like you to be able to arrive to work feeling relaxed and ready to go. So in an effort to help you reduce your commute stress, we'd like to encourage you all to register with CommuteInfo. CommuteInfo is the regional ridesharing organization in Southwestern Pennsylvania. They work to help commuters find ways to work, other than driving alone. By organizing vanpools and carpools, CommuteInfo is able to help commuters find more reliable, less stressful ways to work. Registration is free and only takes about a few minutes. Please visit [CommuteInfo.org](http://CommuteInfo.org) for additional information or [register here](#) or by phone at 1-888-819-6110.

Thank you,

### SAMPLE EMAIL TWO – Be Green While Saving Green!

Dear Employees:

In an effort to continue to become more "green" in the workplace, we'd like to focus on what we can accomplish if everyone considered sharing their rides to work. For some who live nearby, this may even include biking or walking. For those living farther away, it may be trying out public transit or matching up with other commuters for vanpools and carpools. Reducing the number of single occupancy vehicles on our roadways will not only reduce air pollution and emissions in the region, but it will also reduce the number of gallons of gas we use to get to work every day. Making a change can be difficult, so we encourage you to reach out to CommuteInfo, the regional ridesharing organization for Southwestern Pennsylvania. CommuteInfo can help answer questions about your commute and help you connect with others to start ridesharing. Contact them today [online](#) or over the phone at 1-888-819-6110.

Thank you,
